PARNELL
HERITAGE

HATS OFF *to Heritage!*

Join Parnell Heritage in celebrating the life of 1950's Parnell milliner, Lindsay Kennett.

His biographer, Hilary Hunt, will speak about his life and his artistry. Lindsay's hats were worn at the best events, and by royalty.

We are pleased to have the support of Parnell retailer Hattitude who will be displaying their range of more contemporary hats.

And Doris de Pont of the Fashion Museum will be our Judge for "Best Hat" and "Best Vintage Hat".
